Get Energy Insights, Just by Voice*

Get instant insights into your home energy use just by asking—with hands-free voice assistance from up to 5** meters away.

* Disconnect the microphone with a physical button to protect privacy.
** Actual distance may vary depending on ambient noise levels and speaker volume. The 5-meter range is for reference only.

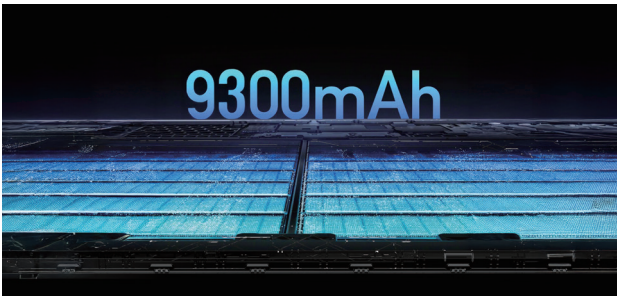

Solar Generation

Home Energy Consumption

Battery Charge and Discharge

Built to Last, Works Anywhere

With a 3× bigger battery compared to the first generation (9,300mAh vs 3,000mAh), it runs 24+ hours screen-off.

Smart Home All-in-one. One Screen to Rule All

With Matter 1.4, it connects and controls lights, thermostats, and smart plug—all in one place. Plus, PowerInsight 2 works with Google Nest, Tado, and other top brands. No more app-hopping.
